Arctic Edge

A Naval Tactical Operations and Wargaming – Module, within the framework of the Blended Intensive Program

Norwegian Defence University Academy
Royal Norwegian Naval Academy

WHAT

- A 3 ECTS BIP with virtual component

- A teoretical and practical Module which covers the following military skills:
  - Naval Operational Planning Process
  - Wargaming (Operational, tactical and sub-tactical levels)
  - Naval operational english
  - Mission command
  - In an international staff environment

HOW

- 7-13 March 2027 (including traveling days)

- Team and individual planning skills crucial in crisis and war trained in a safe and educational environment
- All information, including detailed plan, are available on the EMILYO page

- Culminates in the participation in the Wargame Scenario executed in Vantage

- Register your team before 22 January

WHY

- Develop expertise on military skills for our future leaders
  - Emphasizes the association between planning and execution of plan in an international staff.
- Build a solid foundation for future naval officers within planning
- Experience the Norwegian Military Culture and that of other participating nations
- Erasmus+ funded travel
- Transport, meals, lodging, and study costs covered by organizer

WHO

PARTICIPANTS

- 20 participants in total
- 4 EMILYO Cadets per nation
- 1 Staff per nation (not mandatory)
- Both sexes and reserves are recommended
- Norwegian cadets will be included
