- Sightseeing

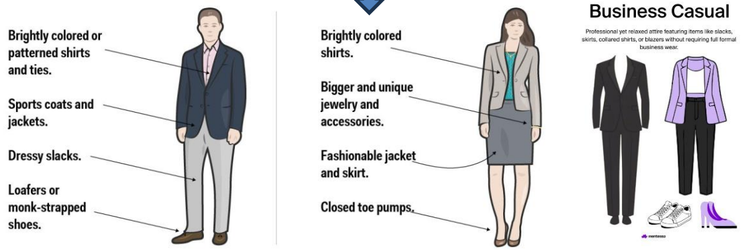

More details

KEEP IN MIND:
The weather in Liptovský Mikuláš in May is usually pleasant and spring-like, with average daytime temperatures around 17-20 °C.
However, May showers and rain are quite common, so it is a good idea to keep an umbrella handy.

Sightseeing plans: *Slovak Museum of Nature Protection and Speleology*,
Demänovská Cave of Liberty
Hike up to Čereňova Rock - a popular limestone rock formation and scenic viewpoint in the Choč Mountains of northern Slovakia

Dress code:

Smart Casual for Icebreaker

Working Uniform
for the course

Civilian clothes for
Sightseeing and free time

„Join the pilot crew, learn logistics anew – at the Armed Forces Academy – we are waiting for you!“
