Lessons Learnt / Changes for the next Event

- **POSITIVE FEEDBACK SUMMARY:**
- **Participants highly praised the excellent organization, seamless logistics, warm hospitality and the unique opportunity to built international friendships.**
- **They described the event as: Fun and challenging; physically demanding; great event to check and prove different military skills ....**

- **SUGGESTED AREAS FOR IMPROVEMENT:**

1. Adjust tie-breaker rules for greater fairness: consider injuries, review shooting discipline modalities – we will look into it – there are some questions and possible adjustments on the desk already

2. Include more international team-bonding activities and opportunities for international friendship – we will do our best but it is up to participants too as they have tendency to stick together as a team

3. Allow more training days before competition – kind of clashes with No.2 as training is the national team bonding not international teams bonding and it would mean we need to cancel sightseeing events
