Institute for Basic Officer Education

1. Introduction

1.1 Pre-conditions for Participation in the International Semester:

- Only military **Officer Cadets / Midshipmen** – with an appropriate military background – are foreseen to participate in the **entire** International Winter Semester. Exceptions from this rule – e.g. participation of civilian students – are to be negotiated on a case-by-case basis with the partner institution in advance.
- The pre-conditions for participation in the entire International Semester are:
 - English language according to point 1.2.
 - National medical certificate stating the allowance to take part in sports.
 - Fulfilling the respective national physical standards of the sending institution.
 - **Basic** managerial and leadership competences.
 - **Basic** negotiation and problem solving skills.
- **Additional** cadets / midshipmen / civilian students may participate in selected one-week classes/modules according to point 2.1.

1.2 Language:

- The entire International Semester is offered in English language.
- The Common European Framework of Reference for Languages (CEFR) Level B1 or NATO STANAG Level 2 is a requirement for participation.
- The English level will be tested during the common module “*Basic Military English*” during the semester’s beginning. **Those cadets / midshipmen / students who will not fulfil the minimum requirements will be repatriated.**

1.3 Contents/Duration:

- The entire International Semester has **26** ECTS and lasts more than 3 months (100 days). This fulfils the requirements for ERASMUS+ support.
- Common Modules, which are an integral part of the Austrian accreditation, are also part of the International Semester.

1.4 Applications:

- Applications (use the form of Annex 1) are to be sent to: thermilak.international@bmlv.gv.at.
- Dates:
 - **Latest day of reporting participants: 4th July 2025.**
 - The lectures for the International Semester start on **1st September 2025** and end on **11th December 2025.**
 - **Arrival day** (travel day): **31st August 2025 (not earlier, not later).**
 - **Departure day** (travel day): **12th December 2025.**
 - Exceptions from the arrival/departure days – mentioned above – are to be negotiated with the sending institution in advance.
- A mixture of countries/institutions causes a better increase of intercultural competences; that is why **2 Cadets per institution** are desirable. If you would like to send more Cadets/students, please get in contact with the Theresan Military Academy (thermilak.international@bmlv.gv.at) before sending the application forms.
- Because of the limited number of accommodation, the procedure for the assignment of places is: **first reported – first booked.**
- Because of the limited number of accommodation, we prioritise those institutions, which also take Austrian Cadets for a semester abroad.

1.5 Accommodation & Meals:

- According to EMILYO-LoD 5 (framework), accommodation (**if available at the academy – see point “Accommodation”**), meals, and other expenses in relation to the education are free of charge for members of **European Union** Basic Officer Education Institutions (<https://www.emilyo.eu/lod-5-framework>).
- For Non-EU Members the rules follow bilateral regulations, agreements, and contracts.
- **Accommodation:**
 - During the academic year 2025/2026 the Theresan Military Academy has to face a **lack of accommodation**.
 - Cadets who will be **reported and accepted** by the set deadline of **4th July 2025** will have accommodation inside the Academy for free.
 - For **civilian students** and **later reported Cadets** unfortunately, any confirmation of accommodation inside the Academy can be provided on **8th August 2025** earliest.
 - In due time a list of private owned accommodation possibilities (**at own expenses!**) outside the Academy will be up-loaded onto the Emilyo website at: <https://www.emilyo.eu/mobility-offers-multiplier-events> for the case that we will not have enough accommodation available.

1.6 Permission for Stay / Request for Visit (RfV)

- According to the international rules/laws, the **permission of stay is to be requested** via the sending institutions' country national (military) diplomatic chain of command.
- A **“Request for Visit (RfV)”** is to be passed via the sending country's echelons to the sending country's embassy or Defence Attaché in Austria.

- **Without this RfV-procedure, unfortunately Officer Cadets, Midshipmen, and civilian students do not receive a permission of stay by the Austrian Ministry of Defence and participation neither in the international semester nor in one-week modules will be possible.**

1.7 Basic Information

- Participants of the international semester may find useful (administrative) information on our homepage:
https://www.milak.at/fileadmin/milak/Ausbildung/2018/Ausbildung_International_Basic_Officer_Training/06_Basic_Documents/05_TMA_Erasmus_Brochure_EN.pdf
- In due time after the registration deadline a mail will be sent to all participants with the most important information.

1.8 SARS-CoV-2

- Any up-dated information will be passed to the sending institutions in due time.
- So far (April 2025) there are not any restrictions anymore. We recommend taking an FFP-2 mask along because some medical facilities still require masks.
