SUBJECT: Invitation to Summer Military Training Program

Dear esteemed partners,

We are thrilled to announce that our Academy is once again hosting its rigorous and exciting summer military training program in the stunning mountain area of LITTOCHORO, a training camp in the center of Greece. We have been offering this program for the past years with great success, and we would like to extend an invitation to your esteemed Academy to participate in this year's program.

*Our training courses cover a range of skills and techniques essential to military operations, and we are confident that your cadets will benefit greatly from this unique opportunity. Scheduled **from July 9th to July 18th**, this program offers an excellent chance to deepen the relationship between our academies and enhance the interoperability of our countries' land forces. We are committed to providing your cadets with an unforgettable experience, where they will learn from our highly experienced instructors, meet new people, and immerse themselves in the rich cultural heritage of Greece. We would be honored to host a number of your cadets.*

Accommodation, meals, and transportation within Greece will be provided. Your Academy is responsible for travel expenses. Please confirm your participation by May 31st, 2025, to ensure adequate planning. Enclosed, you will find a tentative schedule and a list of necessary equipment for participation.

We look forward to your response and the opportunity to deepen the relationship between our academies while providing your cadets with an unforgettable experience.

Warm regards,

*Anastasios Polychronos
Major General*
