Subject : Invitation to the Common Security And Defence Policy Common Module

The French Naval Academy, École navale, has the pleasure and privilege to organise a Common Module on Common Security and Defence Policy (CSDP) within the European Initiative for the Exchange of Military Young Officers (EMILYO) Framework.

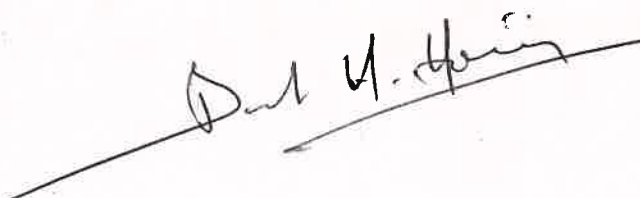

The module consists of an e-learning phase followed by a residential phase to be held in Lanvéoc-Poulmic (Brittany, France) at the French Naval Academy from **19-23 January 2026**.

The objective of this module is to provide the participants with a general overview of key civilian and military aspects of the European Common Security and Defence Policy and is based on the EMILYO Standard Curriculum.

My academy would be delighted to have a cadet from your institution attend this module which has a maximum number of 20 places for this first edition.

For further information and confirmation of participation, please send an email to our International Relations at international@ecole-navale.fr.

Yours faithfully,
