*Dear esteemed partners,*

*We are pleased to inform you that our Academy will host a **Common Security and Defence Policy (CSDP) course from February 16th to February 20th**. The CSDP course is designed to provide participants with a comprehensive understanding of the European Union's security and defence framework, with particular emphasis on institutional structures, decision-making processes, crisis management mechanisms, and contemporary security challenges.*

*Furthermore, the course offers an excellent opportunity to strengthen institutional ties and promote dialogue and interoperability at the academic level. Participants will attend lectures delivered by experienced instructors, engage in constructive discussions with peers from partner academies, and gain valuable insights into European security and defence policies.*

*In addition to the academic program, participants will participate in a cultural visit to the Acropolis, offering an opportunity to experience one of Greece's most significant historical and cultural landmarks.*

*Accommodation, meals, and transportation within Greece will be provided by our Academy. Your Academy will be responsible for international travel expenses. Kindly confirm your participation by February 5th, 2025, to allow sufficient time for organizational planning.*

*We look forward to your positive response and to welcoming your cadets to our Academy for this important academic event.*

*Sincerely,*
