SUBJECT: <u>Invitation to Common Module Military Training A</u>	

Dear valued partners,

We are pleased to invite your esteemed Academy to participate in our upcoming Military Leadership Training, a rigorous and engaging program focused on enhancing leadership decision-making under pressure. The training will be held from 04 to 08 of April 2026, providing an excellent opportunity for cadets to develop essential tactical leadership skills.

The program is designed to strengthen the ability to make informed decisions in complex and dynamic environments, incorporating the Military Decision-Making Process (MDMP) and practical leadership exercises. Throughout the training, participants will engage in both theoretical and hands-on activities, ensuring a comprehensive learning experience led by experienced military instructors.

We are confident that this training will contribute to strengthening the cooperation between our academies while equipping cadets with valuable leadership competencies. Accommodation, meals, and transportation within the host country will be provided. Your Academy is responsible for travel expenses. Please confirm your participation by March 06, 2026, to facilitate proper arrangements. Enclosed, you will find a tentative program schedule.

We look forward to your response and the opportunity to deepen the relationship between our academies while providing your cadets with an unforgettable experience.

Sincerely,

Anastasios Polychronos
Major General
