SUBJECT: Invitation to Summer Military Training Program

Dear Esteemed Partners,

We are thrilled to announce that our Academy is once again hosting its rigorous and exciting summer military training program in the stunning **Mount Olympus** near Litochoro, a training camp located in the heart of mainland Greece. Over the past years, this program has been conducted with great success. Last year alone, we had the honor of welcoming 29 cadets and 8 training officers from 8 different countries. Building on this success, we would like to extend an invitation to your esteemed Academy to participate in this year's program.

Our training courses cover a wide range of skills and techniques essential to modern military operations, and we are confident that your cadets will greatly benefit from this unique opportunity. **Scheduled to take place from 8 to 17 July**, the program provides an excellent opportunity to further strengthen the relationship between our academies and enhance the interoperability of our land forces.

We are committed to providing your cadets with an unforgettable experience, during which they will train under the guidance of our highly experienced instructors, interact with fellow cadets from different countries, exercise leadership in demanding conditions, and further develop their military and leadership qualities, while also immersing themselves in the rich cultural heritage of Greece.

We would be honored to welcome a number of your 3rd- or 4th-year cadets to participate in this training program. At the same time, in our commitment to fostering a diverse and collaborative learning environment, we would also welcome the participation of one officer from your academy, who could contribute to this training activity either as an observer or as an instructor.

Accommodation, meals, and transportation within Greece will be provided by our Academy. Kindly **confirm your participation by 31 May 2026** in order to facilitate the necessary planning arrangements.

We look forward to your response and the opportunity to deepen the relationship between our academies while providing your cadets with an unforgettable experience.

Warm regards,

Vasileios Lampropoulos
Major General
