

*Dear Partner Institutions,*

*I am pleased to invite you all to the Common Module on “European Economic and Financial Security”, which will take place from 11<sup>th</sup> to 16<sup>th</sup> October 2026 at our Academy in Bergamo.*

*The Common Module will be organised by the Italian Economic and Financial Police Academy, in partnership with the University of Bergamo, under the auspices of the European Security and Defence College (ESDC), in the framework of the European initiative for the exchange of young military officers, inspired by Erasmus (EMILYO).*

*The proposed training activity sets the ambitious goal of illustrating to the participating cadets the law and best practices implemented in protecting the European Union’s borders, specifically through the fight against illicit drug trafficking and illegal immigration under the aegis of the European Agency Frontex.*

*It is crucial for us to host cadets particularly from European Navies and Air Forces, allowing for a tangible exchange of ideas and perspectives on the activities carried out in this sector across the various Member States.*

*There will be also opportunities dedicated to personal development and networking, and participants will have the occasion to visit Milan Cathedral.*

*For registration and other details, please check the administrative information to the following link <https://www.emilyo.eu/mobility-offers-multiplier-events>.*

*I sincerely thank you for the opportunity granted to our Academy and look forward to welcoming you in large numbers to the Economic and Financial Police Academy.*

*Yours faithfully,*

*The Commander of Guardia di Finanza Academy  
Major General Cosimo Di Gesù*
