LETTER OF INVITATION

Dear Ladies and Gentlemen,

The Military Technical Academy "Ferdinand I" of Bucharest, Romania, under the auspices of the European Security and Defence College, in the framework of the European initiative for the exchange of young military officers, inspired by Erasmus, has the honour of organising a Common Module on Common Security and Defence Policy (CSDP).

The module consists of an **e-Learning part** (from 16th of February to 20th of February 2026), as well as a **residential session** (from 23rd of February to the 27th of February 2026), hold at Bucharest, at the premises of the Military Technical Academy "Ferdinand I" of Bucharest, both parts being compulsory. The residential session will be organised back to back with the European Common Technical Semester for Defence and Security.

The module is based on the EMILYO CSDP Standard Curriculum which is the major component of EU training activities in the field of the Common Security and Defence Policy with the aim to develop and promote a better understanding of CSDP as an integral part of the Common Foreign and Security Policy (CFSP) of the European Union. The major aim of this module is to provide the participants with a general overview on the civilian and military aspects of the European "Common Security and Defence Policy".

We would be pleased if you would accept this invitation and nominate suitable candidates for this training activity.
