▼ The EMILYO activity ▼							
1	The level of the EMILYO activity and the workload were excessive and caused me a lot of stress/pressure (except for the activity where “pressure” is part of the learning outcomes). Explanation: if you had a lot of pressure, which was counterproductive for achieving the learning outcomes, rate towards 1. If there was no pressure, rate towards 6.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
